

ABOUT US

We have immense pleasure in introducing ourselves to your esteemed organization as one of the leading **TRADER, IMPORTERS, DEALERS , STOCKIEST AND SUPPLIERS** of **CARBON STEEL, STAINLESS STEEL, ALLOY STEEL, MONEL, NICKLE ALLOY, NICKEL, INCONEL, HASTEL-LOY, TITANIUM, DUPLEX AND SUPER DUPLEX, COPPERNICKEL, BRASS, ALUMINIUM & OTHER METAL** IN THE SHAPE OF **PIPES, TUBES, SHEETS, PLATES, RODS, PIPE FITTING, ELBOW, REDUCER, TEE, BEND, NIPPLE, FLANGES**, etc.

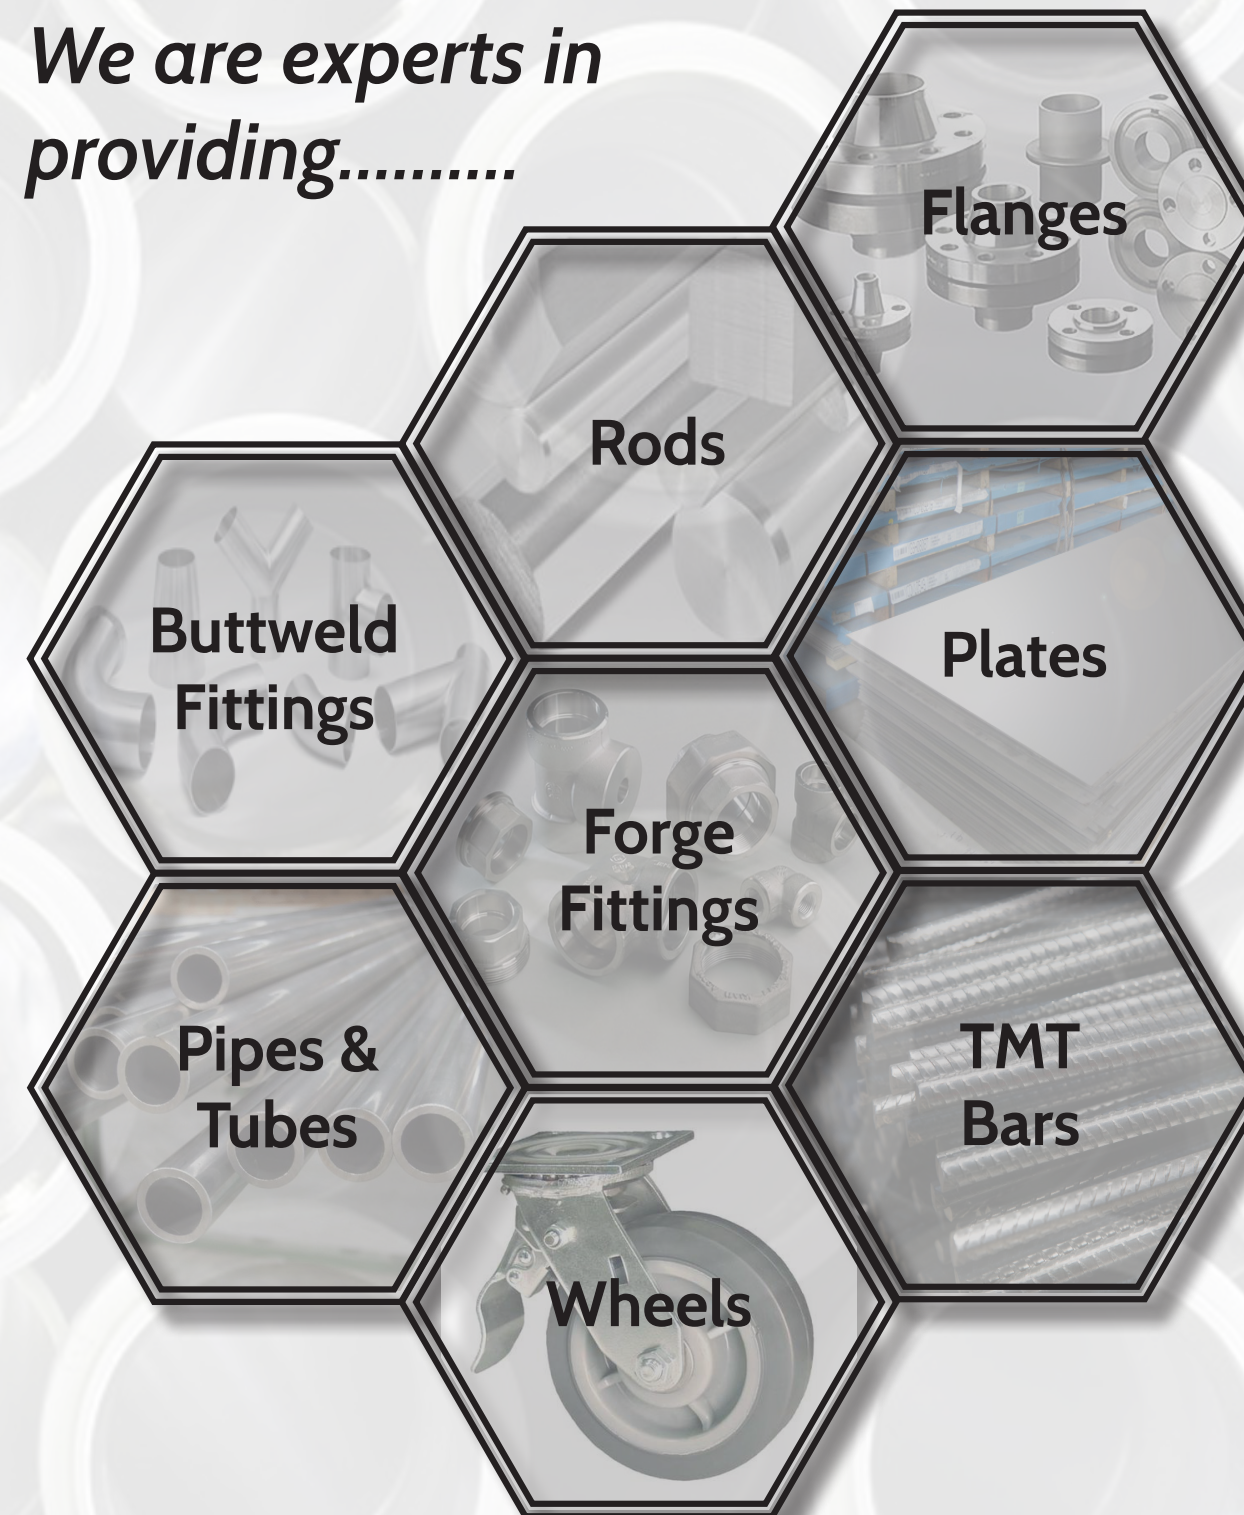

As markets today demand better performance, more reliability & higher quality, we are expanding to new areas on the map, offering a wide range of products & services than even before. We provide the most comprehensive and reliable service to all Industries. We welcome the opportunity to resolve difficult supply problems as providing materials that are needed on a “quick” or emergency requirement.

Our experience and resourceful personnel are trained to have the knowledge of steel product that provides you with the kind of reply you need to fulfill your most complex & original requirements. We process large as well as small orders, quickly and effectively, with usual lead times of one week or less.

Our Products have application in various sectors such as:
OIL & GAS SECTOR, OFFSHORE, POWER, NUCLEAR ENERGY, FERTILIZERS, STEEL, PETROCHEMICAL & REFINERIES, ENGINEERING CONSULTANTS, AUTOMOTIVE INDUSTRY, HYDROCARBON & PROCESS INDUSTRY, SUGAR, AUTOMOBILES, RAILWAYS, DAIRY, PAPER, ARCHITECTURAL, TEXTILE MACHINERY , AIR HEATER TUBE & PIPE, SUPER HEATER, EPC CONTRACTORS, ELECTRIC INDUSTRIES, etc.

OUR PRODUCTS

PIPES AND TUBES

We have developed a wide marketbase for our range of steel pipes and tubes.

Stainless Steel Seamless Pipes

Sizes - 1/2" NB to 24" NB

Wall Thickness available - Schedule 5S to Schedule XXS (heavier on request)

Alloy Steel Seamless Pipes

Sizes - 1/2" NB to 60" NB

Wall Thickness available - Schedule 20 to Schedule XXS (heavier on request) upto 250 mm thick

Nickel Alloy Steel

Types - Seamless Pipe, ERW Pipe, EFW Pipe,

Sizes (Seamless) - 1/2" NB to 12" NB

Sizes (ERW) - 1/2" NB to 12" NB

Wall Thickness available - Schedule 5S to Schedule 80

Carbon Steel Seamless Pipes

Sizes (Seamless) - 1/2" NB to 60" NB

Wall Thickness available - Schedule 20 -to Schedule XXS (heavier on request) up to 250 mm thick

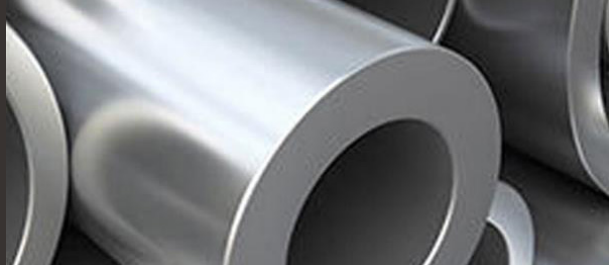

Duplex and Super Duplex Steel

Sizes (Seamless) - 1/2" NB to 8" NB

Sizes (Welded) - 6" NB to 24" NB

Wall Thickness available - Schedule 10 to Schedule 80 (heavier on request)

RODS

Various lengths and material grades are available in this category. We also provide you with Cut to length.

Types - Round Bar | Hexagon Bar | Square Bar

Thickness - 2 mm to 100 mm (heavier on request)

Length available - As required by customers

We offer you wide range of products from pipes & tubes to sheets & plates of various metals.

Our Products have application in various sectors such as: Oil & Gas sector, Engineering consultants, Automotive industry, Power, Fertilizers and Petrochemicals, Refineries, Railways, Textile Machineries , Electrical Industries, and many more. We process large as well as small orders, quickly and effectively, with usual lead times of one week or less. Browse for the products below and let us know if you would want anything.

WHEELS

Medium Duty Castor

Stainless Steel (AISI 304) construction, Swivel or Fix bracket with double ball bearing in the swivel head, Argon Arc Welded very strong, bolted and secured central king pin, bolted wheel axle with self locking nut.

Heavy Duty Castor

Heavy duty welded stainless steel (AISI 304) construction, swivel or fix bracket with double ball bearing in the swivel head. Additionally reinforced by the integration of four specially shaped and harness bearing sets. Lubrication swivel head sealing with grease nipple, Argon welded very strong , bolted and secured central king pin, bolted wheel axle with self locking nut.

Plate type | Pin type | Stud type

Swivel

Fix

Brake

FLANGES

Now stop worrying about leaks between pipe joints, try our flanges and see yourself.

Types - Blind | Lap Joint | Orifice | Slip On | Socket Weld | Spectacle Blind Threaded | Weld Neck

Sizes - 1/4" to 80"

Wall Thickness available - Schedule 5s to Schedule XXS (heavier on request)

PLATES

Available in carbon steel, stainless steel, aluminium and alloy form. High Quality guaranteed.

Types - Standard sizes | Coil form | Cut to length

Thickness - 0.5 mm to 100 mm (heavier on request)

Width available - 1000/1250/1500/2000 mm

Length available - 2500/3000/5000/6000 mm

Coil form also available to provide customer specific length

FORGE FITTINGS

A to Z fittings are available with JFA. High quality, rust free. JFA provides you with various sizes.

Tee Fittings

Couplings

45 / 90 / 180 Deg Elbow

LR Bend

Union

Reducing Tee

Plug

BUTTWELD FITTINGS

Concentric and eccentric reducers, equal and reducing tees, 45 & 90 degrees elbows, caps and stub ends.

Types - Caps | Elbows | Concentric/Eccentric Reducers | Stub-Ends | Tees
Seamless - EFW, ERW, and Forged

Sizes - 1/4" - 80"

Wall Thickness available - Schedule 5s - Schedule XXS (heavier on request)

Dimensions - ANSI | ASME | B16.9 | B16.25 | B16.11

TMT BARS

We excel in offering a comprehensive range of TMT Bar to our valued customers in the industry. These TMT Bars offered by us are precisely engineered and manufactured from the use of cutting edge technology. Besides, these TMT Bars are resistant to abrasion and have high tensile strength.

Our range of TMT bars withstands temperatures up to 5,000C. Durable and Rust free, ideal for small and large constructions..

Sizes available -
- 8 mm to 32 mm Length 40 ft.
- 8 mm to 32 mm Length 20 - 35 ft.

Features - Extensively used | Best grade material | Premium quality
